Using Grainger as a single source to purchase and service products can save you time and money. Rely on our quality service providers for lighting retrofits and other comprehensive services for motors, compressors, pumps and generators. Products covered are flagged in this Catalog with the icon shown at left. Also available is a new service, Express Finance™, a flexible leasing service program that helps you acquire what you need, when you need it, at a manageable cost. Ask your local branch for details.

Grainger Parts Operations (GPO) can supply you with a huge selection of quality repair and replacement parts for more than 550 brand name manufacturers (see manufacturer line listing below). So if you check with GPO first, you won't have to look anywhere else.

## All The Services You Need...

- A time-saving source for hundreds of thousands of OEM replacement parts
- Easy ordering using your Grainger account number
- No minimum order requirements
- No-hassle returns
- Knowledgeable representatives trained in parts identification (they'll even fax parts diagrams to you at no extra charge to help you make the right selection)

## The Place To Start For Parts

**1 Just Call GPO: 1-800-323-0620**
24 hours a day, 7 days a week.

**2 Tell Us...**
Manufacturer's model no. from the unit's nameplate, & either the part number or a complete description.

**3 We'll Ship!**
Same-day shipment for all in-stock orders placed by 9:00 PM (CST) Monday-Friday. Overnight shipping available.

## Air Compressors — Air Tank

Oil-Less .....2853, 2859-2860, .....2862-2868, 2874
Oil-Lubricated .....2869, 2871, 2878
Portable .....2435, 2864-2869
Pressure Lubricated .....2877
Pump .2865, 2868-2870, .....2872-2873, 2877
Regenerative Blowers .....2850
Rotary Screw .....2882
Stationary ..2868-2871, .....2873-2879
Tank-Mounted .....2863-2864, .....2868, 2871, 2873
Two-Stage ..2868, 2871
Vacuum ....2853, 2862

**Air Conditioner**
Blowers .....3640-3643
Casters .....3461
Compressors .....3465
Covers .....3455
Cycling Controls ...3502
Drain Kits .....3456
Filters .....3514, 3522, .....3528, 3530, 3532, .....3534, 3537-3539
Gauges .....3487
Grilles .....3454-3456
Motors .....57, 60-66
Mounting Subbases .....3456
Pads .....3451
Pump Compressors .....3465
Refrigerants .....3476
Time Delay Relays .3235
Wall Cases .....3454
Wall Sleeves .....2079, 3455-3456
Whips .....3451
Window Frames ...3455
Window Mount Kits .3458
Window Supports ..3455

**Air Conditioners,**
Backbreathers ....3455
Builder .....3455
Central Units .....3442, 3449, 3452
Dual Zone .....3452
Gas/Electric .....3445, 3447-3448
Hazardous Location .....3459
Heat And Cool .....3455, 3459
Heavy-Duty .....3459
Industrial .....3460
Mobile Home .....3452
Non-Side Louvered .3455
Portable .....3460
Residential .....3442, 3449, 3452
Room ..2079, 3452-3460
Solid Side .....3455
Split Systems .....3452
Thru-The-Wall .....3455-3456
Wall Mounted .....3452
Window ....2079, 3454, .....3457-3459

**Air Conditioning**
Air Handlers .3444, 3449
Charging Valves ...3499
Coil Cleaners .....3480
Condensation Heaters .....3235
Condensers .3442, 3449
Disconnect Switches .392
Evaporator Coil Casings .....3444
Evaporator Coils ...3444
Fittings .....3049
Pads .....3444
Post Purge Timers .3505
Relays .....3506

## Emergency Lighting — Energy Right Lamps

Mounting Shelves .....1148, 1152-1153
Remote Heads .....1138-1139
Wire Guards .....1152

**Emergency Lighting,**
Chicago Approved .1151
Fixtures .....1136-1144, .....1148, 1150-1151
NEMA 4X .....1150
Remote .....1139
Self Diagnostic .....1136-1137, 1144

**Emery**
Cloth .....1625
Rolls, Abrasive ....1625

**EMT**
Conduit .....650
Conduit Fittings ....655
Straps .....652

**Enamels,**
Acrylic .....1992
Alkyd .....1989-1990
Coating .....1989-1990, 1992
Fast Dry .....1999
Industrial ....1989-1992
Low VOC .....1989-1990, 1992
Paint ..1989-1992, 1999
Primer .....1989-1992
Water-Based .....1992

**Enclosure**
Brackets .....642
Clamps .....642
Condensation Heaters .....3235
Cylinder Locks .....642
Heaters .....3235
Hole Seals .....642
Interiors ...637-638, 640
Key Locks .....642
Keys .....642
Latch Kits .....642
Louvers .....642
Padlocks .....642
Panels ....637-638, 640
Solid Neutrals .....386
Windows .....643

**Enclosures,**
Back Boxes .....722
Circuit Breaker .....386
Computer .....2096
Control Relay .....471
Electrical .....637-641
Flange Disconnect .....638, 640
Indoor .....637
JIC .....640
Mechanical Interlock .....721, 727
Modification .....461
Motor Starter .....446
NEMA .....638
NEMA 1 .....702
NEMA 12/13 ...638, 640
Outdoor .....638-639
Pushbutton .....509, 516, 641
Raintight .....638
Smoke Detector ...3339
Speaker .....905
Stainless Steel .....639
Switched Twist-Lock .721
Wall Furnace Vent .3421
Watertight .....638
Weatherproof .....3339
Wire .....2077

**End**
Caps, Track .....2658
Covers, Baseboard Heater .....3426
Mounts, Hydraulic ..2811
Plates, Stacking Valve .....2943
Plates, Valve Manifold .....2939
Stops, Cabinet ....2091
Stops, Workbench .2089

**End Mill**
Adapters .....1644
Dispensers .....1204
Holders .....1502
Kits .....1643

**End Mills,**
Carbide .....1642, 1684
Double End .....1681
Four Flute ...1681-1682
Multiple Flute .....1681
Roughing .....1683
Single End ...1681-1682
Solid Carbide .....1682
Tapered .....1684
Two Flute ....1681-1682

**Energy Right**
Air Conditioners ...2079, .....3454, 3457, 3459
Attic Ventilators ...3565, .....3568-3569
Bulk Vinyl Strips ...2304
Ceiling Fans .3545, 3585
Exhaust Ventilations .....3542
Fans ..3566-3567, 3584
Heat/Cool Package Units .....3445, 3447-3448
Heaters .....3400, 3402-3404
HVAC .....3442, 3449, .....3453, 3464
Pipe Insulation .....3376, 3433
Strip Doors ..2304-2305
Thermostats .3315-3321, .....3327, 3332
Timers .....570-573, .....575, 577, 580-582
Turbine Ventilators .3565
Vinyl Strips ..2304-2305
Water Heaters ....3077

**Energy Right Ballasts,**
Control Devices ...1019
Controllable .....939, 1018-1020
Dimming .....939, 1018-1020
Discrete ....1013, 1027
Electronic ....939, 1013, .1017-1025, 1027-1029, .....1034-1035
Energy Right .1024, 1028
Fluorescent ..939, 1013, .....1017-1025, .....1027-1031, .....1033-1037
High Output ..1027-1028
Hybrid Electromagnetic .....1020, 1022-1024
Integrated Circuit .....1018-1019
Magnetic .....1020, .....1022-1025, 1028, .....1030-1031, 1034

# PRODUCT INDEX

## Motors

AC/DC Vacuum .174-176
Adjustable Speed .....145, 216
Aeration Fan .....148
Agitator .....119
Agricultural Fan .145-147
Air .....2962
Air Circulator .....104-105, 3570
Air Compressor ....150
Air Powered . .2960-2961
Appliance/Tool .....94, 174-183
Audio Visual .....118
Auger Drive .....143
Automotive Duty . .46-47
Belt Drive . . .52, 94-102, 105, 129
Beverage .....170
Beverage Machine . .119
Brake .....22, 25
Brushless .....178
C-Face .....22-23, .... 103, 120-127, 156
C-Frame .....118
Capacitor-Start Farm Duty .141-143, 147-149
Capacitor-Start General Purpose . .7-11, 44, 114
Capacitor-Start Washdown . . .154, 156
Car Wash .....152
Carbonator Pump . . .170
Center Pivot .....144
Centrifugal Pump .....121, 124, 157-159
Circulator Pump .....13, 78-79
Closed Coupled Pump .....151
Commercial .....11, 48-54, 97-98, .... 100-101, 182-183
Condenser Fan .....55-59, 94
Crop Dryer .....148
Damper .....3349-3350
DC .....184-187, 216
Deep Well Pump .....172-173
Direct Current .....184-185, 216
Direct Drive ....106-108
Dishwasher .....180
Double Shaft . .53, 60-66, .....112, 181-182
Draft Booster .....76
Drill Press .....1450
Dryer .....181
Dust Tight .....149
Evaporative Cooler . . .81
Exhaust Fan . . .105, 129
Explosion-Proof (See Hazardous Location) .....128-136
Face Mount .....103
Fan .....105, 129
Fan/Blower . .52, 94-119
Farm Duty .....141-149
Federal Efficiency .....14-22, 24-25, ..... 96, 125-127, 156
50Hz .....94, 136-139
Food Processing .....153-156
4.4 Diameter .....109
Furnace Blower .....52, 55, 61, . . . 65-76, 96-102, 182
General Purpose ....17
Glass Washer .....171
Golf Cart .....191
Halo Mount .....66
Hatchery .....149
Hatchery/Setter .....149
Hazardous Location .....128-136
Heat Pump .....57-59
Heating/Cooling .....13, 55-81, 83, ..... 85, 87, 89, 91, ..... 93, 108-109, 140
High Temperature .58-59
High Torque ....141-142
Hydraulic .....2799, 2804, 2806
IEEE-841 .....37-38
Industrial . . .7-39, 44-47, 53, 96, .... 114, 125-127, 156
Instant Reverse ....140
Inverter Duty .....39
Irrigation .....144
J-Shaft .....121, 124, ..... 130, 157-159
Jet Pump . .160-162, 165
Kitchen Exhaust .112-113
Laminate Trimmer . .1474
Laundry .....180-181
Low Voltage .....3349
Mobile Home .....76
Modutrol ....3349-3350
Modutrol IV .....3349
Moisture Resistant . . .81
OEM Replacement .....65-66, 71, 83, 85, .... 87, 89, 91, 93, 109
Oil Burner .....80
Open Dripproof Capacitor-Start .....7-8, 11, 44, . . . 48-51, 97, 114, 182
Open Dripproof Federal Efficiency .....16
Open Dripproof Split-Phase .....52-53, ..... 98-102, 182-183
Open Dripproof Three-Phase .....12-13, 16-17, 23, .... 45, 53, 94-96, 125
Oscillating .....105
Paint Free .....124, 153
Pedestal Fan . . .104-105
PMDC ....184-185, 216
Poultry Fan ....145-147
Poultry Feed .....143
Power Nozzle .....178
Power Tool .....182
Premium Efficiency .....26-38, 46-47, ..... 126-127, 135
Pressure Washer . . .152
PSC Condenser Fan .....55-59
PSC Furnace Blower .....61, 67-72
PSC Room Air Conditioner .....60-66
PSC Unit Heater . .77-78
Pump .....3205
Refrigerator Fan .....115-119
Reversing .....3349
Severe Duty . .24-25, 28, .....33-38, 126-127
Sewing Machine .94, 183
Shaded Pole 3.3 Diameter .....110-114
Shaded Pole 4.4 Diameter .....109
Shutter .....3597
Solution Pump .....85
Spa .....165, 168-169
Split-Phase Belt Drive .....52, 98-102
Split-Phase Commercial .....52-54, 98, .....100-101, 182-183
Split-Phase Direct Drive .....106-108
Square Flange . .163-164
Stainless Steel .124, 153
Submersible Pump .....172-173
Sump Pump .....171
Swim Pool .....163-169
Switch .....76
Synchronous .....226
TEAO .....106-108
TEFC Capacitor-Start .....9-11, 44, 51
TEFC Split-Phase ....54
TEFC Three-Phase .....13, 20-25, 31, ..... 45, 126-127, 156
TENV .....13, 20
3.3 Diameter . . .110-114
Thee-Phase General Purpose .....17
Three-Phase Farm Duty .....144
Three-Phase Federal Efficiency .....14-22, 24-25, ..... 96, 125-127, 156
Three-Phase General Purpose .....12-13, ..... 16-17, 20-23, 31, . . . 45, 53, 96, 125-127
Three-Phase Premium Efficiency .....26-38
Three-Phase Severe Duty .....24-25
Three-Phase Washdown .....155-156
Torsion Flex .....68, 72
Totally Enclosed Air-Over (See TEAO) . . .106-108
Totally Enclosed Fan Cooled (See TEFC) .....9-11, 13, 20, ..... 22-23, 31, .... 44-45, 51, 54, 142
Totally Enclosed Non-Ventilated (See TENV) .....13, 20
Transformer Cooling Fan .....74, 140

277 Volt .....65-66
Two Speed Capacitor-Start ....50-51, 96-97
Two Speed Split-Phase .....52-54, 99, ..... 101, 106-108
Two Speed Three-Phase .....95
U-Frame .....45-47
ULI507 Approved ...108
Uncased .....119
Unit Bearing .....115-117, 119
Unit Heater Blower .....73, 77-78
Universal .....179
Vacuum .....174-178
Vibration .....182
Washdown .153-156, 186
Well Pump .....172-173
Wet Environment .....152, 154-156
Whole House .....99
Yoke Mount .....104-105, 145, 154

**Mounted**
Points, Resin .....1596

**Mounting**
Brackets, Dryer ....2907

# Grainger Limited Warranty

**LIMITED WARRANTY.** All products sold are warranted by W. W. Grainger, Inc. (Grainger), only to purchasers for resale or for use in business or original equipment manufacture, against defects in workmanship or materials under normal use for one year after date of purchase from Grainger, unless otherwise stated in product listing in this catalog. Any part which is determined by Grainger to be defective in material or workmanship and returned to a Grainger branch or authorized service location, as Grainger designates, shipping costs prepaid, will be, as the exclusive remedy, repaired or replaced, at Grainger's option.

**WARRANTY DISCLAIMER.** Grainger has made a diligent effort to illustrate and describe the products in this catalog accurately; however, such illustrations and descriptions are for the sole purpose of identification, and do not express or imply a warranty that the products are MERCHANTABLE, or FIT FOR A PARTICULAR PURPOSE, or that the products will necessarily conform to the illustrations or descriptions. No warranty or affirmation of fact, express or implied, other than as set forth in the limited warranty statement above is made or authorized by Grainger. Grainger reserves the right to correct publishing errors.

**LIMITATION OF LIABILITY.** Any liability for consequential and incidental damages is expressly disclaimed. Grainger's liability in all events is limited to, and shall not exceed, the purchase price paid.

**PROMPT DISPOSITION.** Grainger will make a good faith effort for prompt correction or other adjustment with respect to any product which proves to be defective within warranty period. Before returning any product, write or call the Grainger branch from which the product was purchased, giving date and number of original invoice, and describing nature of defect. Title and risk of loss pass to buyer on delivery to the common carrier. If the product was damaged in transit, recipient must file claim with the carrier.

**PRODUCT SUITABILITY.** Many states and localities have codes and regulations governing sales, construction, installation, and/or use of products for certain purposes, which may vary from those in neighboring areas. While Grainger attempts to assure that its products comply with such codes, it cannot guarantee compliance, and cannot be responsible for how the product is installed or used. Before purchase and use of a product, please review the product application, and national and local codes and regulations, and be sure that the product, installation, and use will comply with them.

**NO WARRANTIES TO CONSUMERS.** Grainger makes no warranties to those defined as consumers in the Magnuson-Moss Warranty-Federal Trade Commission Improvement Act.

## Manufacturers' Warranties & Sales Literature

Most of the products listed in this catalog are warranted to the final consumer by their manufacturer; copies of such warranties are supplied with the product or are available from the manufacturer. As a service, Grainger will obtain copies of consumer warranties from the warrantor and will furnish them free of charge to customers who request them. Address requests to: Grainger, Dept. K434, 333 Knightsbridge Parkway, Lincolnshire, IL 60069-3690 U.S.A. Requests must include the Grainger stock number and the manufacturer's model number (if shown) of each product for which a copy of the warranty is requested. Grainger may also furnish sales brochures and other literature of the manufacturer. Grainger assumes no responsibility for the content of such warranties or sales literature by performing this service.

## Cross-Reference Information

Product cross-reference comparisons do not imply that all products compared are available, or in the case of functional equivalency, that performance and other characteristics are perfectly comparable. For critical applications, review specifications prior to purchase.

## OSHA Hazardous Substance & California Proposition 65 Product Information

Material Safety Data Sheets (MSDS) for OSHA defined hazardous substances and a list of products known to the state of California to cause cancer or reproductive harm are available at your local Grainger branch or by contacting Grainger, Dept. KW467, 455 Knightsbridge Parkway, Lincolnshire, IL 60069-3620 U.S.A.

The information and recommendations contained on the MSDS supplied by the manufacturer is considered to be accurate and reliable. Grainger, however, makes no warranty with respect to the accuracy or reliability of the information or the suitability of the recommendations. Grainger disclaims any and all liability to any user thereof.

# Sales and Freight Terms

## Sales Policy

**WHOLESALE ONLY.** Identification required from all purchasers. Possession of this wholesale catalog does not constitute the right to purchase from Grainger.

**PRICES HEREIN** are net wholesale prices effective February 1, 1999 and are subject to change without notice. Market sensitive commodity items will be priced according to current market conditions.

**QUOTATIONS** on large quantities are available on request. Contact your Grainger sales representative or Grainger branch.

**FORCE MAJEURE.** Grainger shall not be liable for any delay in or impairment of performance resulting in whole or in part from Acts of God, labor disruptions, shortages, inability to procure product, supplies or raw materials, severe weather conditions, or any other circumstances or cause beyond the control of Grainger in the conduct of it's business.

**CANCELLATION.** Any cancellation must be approved by Grainger, and may be subject to restocking and other charges.

**SALES TAX.** Grainger is required to charge state and local tax on items for which sales tax exemption certification has not been provided. When ordering please indicate clearly which items are tax exempt.

**PAYMENT TERMS.** For purchasers with established credit, terms are net 30 days from date of shipment. At Grainger's option, export orders may be subject to special export payment terms and quotations. If credit is not established, please include payment with order or purchase through Visa, MasterCard or American Express. Cash or anticipation discounts are not allowed. All payments must be in U.S. dollars.

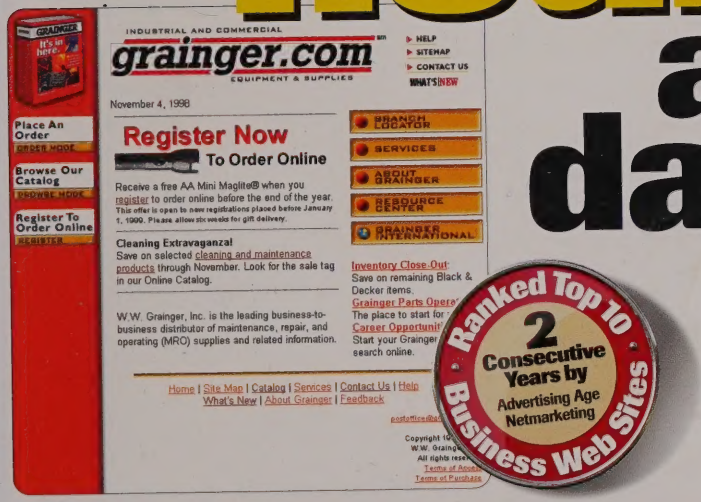
## Freight Policy

**SHIPPING CHARGES ARE PREPAID ON A SINGLE SHIPMENT OF** $900 or more, before tax and freight, unless otherwise stated, to customer's place of business anywhere in the contiguous United States, using carrier of our choice. Other terms apply to Alaska, Hawaii, Puerto Rico, and export orders. Contact your local branch for further information.

Any extra charges incurred for additional services, such as customer's carrier or special handling by the carrier, must be paid by the consignee.

Items backordered from an order qualifying for prepaid shipping charges will be shipped prepaid.

Title and risk of loss pass to the customer upon tender of shipment to the carrier. If product is damaged in transit, consignee must file claim with the carrier.



# Order online on *your* time – anytime –

# 24 hours a day.

"I've started to order all my Grainger stuff from their Web site. The time and paperwork I've saved has been great. Best of all, I don't have to repeat any information, including how to spell my last name."

*– Kim Leleniewski*
*MRO Buyer*
